Campus Totals Key

***2016-17**

HS6 (GHS) 9th-10th
11th-12th zoned for HS6(GHS)
remain @ RHS & LHS

NBCDs rezoned from existing
campus to existing campus,
only 9th grade moves

****2017-18**

9th-11th @ HS 6 (GHS)
12th zoned for HS6(GHS)
remain @ RHS & LHS

NBCDs rezoned from existing
campus to existing campus,
only 9th-10th grades move

*****2018-19**

9th-12th @ HS6 (GHS)
NBCDs rezoned from existing,
campus to existing campus
only 9th-11th grades move

******2019-20**

NBCDs rezoned from existing,
campus to existing campus
9th-12th grades move

HS7 potentially opens

Red text indicates when enrollment exceeds functional building capacity of 2,400

Blue text indicates when enrollment exceeds functional building capacity of 2,150

Functional building capacity = 2,400 for all high schools except CPHS. This scenario assumes no Flex Lab additions at CPHS, therefore keeping its current capacity at 2,150.
